1. Introduction: Business Problem

Tokyo is one of the world's leading cities, attracting hundreds of thousands of tourists every day. Meanwhile, with Tokyo Olympics approaching, there will be many more tourists coming to Tokyo. Since Sushi is one of the most traditional foods in Japan, the tourist you want to go to a place with a high density of Sushi places around you. The problem we aim to solve is to analyze the Sushi stores' locations in Tokyo and find the best place for our tourist so that he can have a good sushi experience.

Target Audience:

- Tourists from other cities or countries that want to find a good place to try sushi when traveling to Tokyo.

- Investors who want to set up a Sushi restaurant.
